

# March 3rd 2012 Vendor Fair!

Saturday March 3rd, 2012 9:30am - 4:30pm  
Downtown Belleville YMCA Track

This Vendor Fair is being held in support of the Downtown Belleville YMCA Partner with Youth Campaign! Financial assistance keeps the Y available for kids and families who need us the most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected and secure. When you attend the DBC Partner with Youth Vendor Fair you will be participating in a meaningful, enduring and fun activity where all proceeds will go right back to the community.
